Nabtesco Marine Asia Pacific has once again participated at JSMEA Seminar held at Diamond Hotel Manila, Philippines on 6th February 2020.

During this event we met a lot of Filipino clients both existing and new ones.

It has always been a great privilege for us to meet and greet our clients overseas as well as other colleague members of the JSMEA group.

This year on our presentation we have highlighted the importance of Professional Training for Ships crew on the topics of Main Engine Control Systems. If you have any inquiries or interest on this programs do reach us anytime soon.
